Nylon loop – DK 7072.220

created: 26.04.2021 build on www.rittal.com/uk-en

Product description

Description:	With the nylon loop, secured cables are easily released, allowing individual cables to be added or removed. Ideal for sensitive data cables (fibre-optic/Cu), as it avoids indentations on the cable sheathing. In addition, the nylon loop may be screw-fastened to the round system punchings or attached using a quick-release fastener.
Colour:	Black
Supply includes:	Quick-release fastener

Product description

Dimensions:	Width: 20 mm Length: 130 mm
Max. cable diameter:	30 mm
Packs of:	10 pc(s).
Weight/pack:	0.03 kg
Copper weight (kg per piece):	0
EAN:	4028177147898
Customs tariff number:	39191019
ETIM 7.0:	EC002625

ETIM 6.0:	EC002625
