RS Pro 1 Door Steel Yellow Locker, 480 mm x 300 mm x 450mm

Product Details:

Personal Protective Equipment Lockers (PPE)

Yellow Personal Protective Equipment Lockers (PPE) for the safe protection and storage of Health and Safety Equipment or clothing.

- Both lockers are manufactured from mild steel, cold rolled and are robust
- Both lockers have 1 door
- Plated camloks (2 keys per lock)
- Each lock supplied with identification card
- Stove enamel coating
- **The type 1** cubicle locker can be fitted together both side by side and on top to form a bay of units.
- **The type 2** locker is particularly useful for storing decontaminated chemical clothing, waterproofs, boots, fall arrest equipment etc. With ventilation holes discretely located at the top and bottom of the units equipment and clothing can dry quicker.
- Includes top shelf to store smaller items.
