The Lexar Platinum II Memory Stick PRO Duo™ memory card captures photo, video, and multimedia files in user-friendly memory stick format. It works with a vast range of applications, including Sony® video cameras, MP3 players, televisions, and computers with a Memory Stick PRO Duo slot. The Lexar Platinum II Memory Stick PRO Duo card is available in 2GB, 4GB, 8GB, 16GB, and 32GB capacities.

Designed for Fast-Action Photos and HD Video

Maximize Your Photo- and Video-Taking Experience. The Lexar Platinum II Memory Stick PRO Duo card delivers high-capacity performance, specifically suited for Sony devices. This means you can take more high-resolution photos and video, and store and transfer more music and other important data files.

Versatility. The Lexar Platinum II Memory Stick PRO Duo card provides versatile storage for a wide range of Sony devices. It can be used with DSLR and point-and-shoot digital cameras, video cameras, MP3 players, televisions, and computers. And high-capacity options mean you can reliably store and transfer a large amount of high-resolution photos, video, and more.

Includes Valuable Adobe Software Offers. The Lexar Platinum II Memory Stick PRO Duo card includes exclusive, money-saving offers on leading Adobe® software. You'll enjoy free, 30-day trials of the latest versions of Adobe® Photoshop® Elements and Adobe® Premiere® Elements software, with \$30 off each full version.*

Performance, Reliability, and Compatibility. The Lexar team works with major camera manufacturers to ensure all Lexar memory cards are compatible with their digital cameras—from the simplest to most complex. The cards are also tested in the Lexar Reliability Lab, a facility with more than 800 digital cameras and memory card devices, to further ensure compatibility and performance. In addition, all Lexar Platinum II cards come with a limited lifetime warranty. Whether you're shooting and storing action photos or HD video, the Lexar Platinum II Memory Stick PRO Duo card is an excellent high-capacity, high-performance solution to your storage needs.
