

BETA 5000 RSC50 2.0/KFC
Kit of 10 coloured drawer fronts,
for workshop equipment
combination RSC50 2.0

Features

The Beta front cover kit is the perfect synthesis of innovative design and practical functionality.

SIMPLICITY

The quick and intuitive assembly allows the front panels to be adapted to any situation.

PERFECT MATCH

The Beta front cover kits are the ideal accessory to complete the anthracite grey worktops, adding a touch of elegance and functionality.
