RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

RS PRO Drain Cleaner 1/4" x 25" – The Effortless Solution to Clogged Drains

Say goodbye to stubborn blockages with the RS PRO Drain Cleaner 1/4" x 25" – the reliable, versatile tool designed to keep your drains flowing freely. Built for both professionals and homeowners, this drain cleaner efficiently tackles hair, grease, soap buildup, and everyday debris in sinks, showers, and tubs.

Key Features:

- **Effortless Drain Clearing:** Easily eliminate clogs without harsh chemicals or costly plumber visits. The RS PRO Drain Cleaner provides a straightforward, manual solution to restore water flow quickly and effectively.
- **Premium Durability:** Constructed from high-quality steel, the 7.5-meter (25-foot) cleaning cable (diameter 6mm, 1/4") is designed to endure frequent use without kinking, breaking, or rusting.
- **Universal Compatibility:** Perfectly suited for most household sink, shower, and tub drains, making it a versatile addition to your toolbox.
- **Pistol-Grip Comfort:** The ergonomic pistol-grip handle includes a TPR (thermoplastic rubber) over-mold, minimizing hand fatigue and providing a secure, comfortable grip during prolonged use.
- **Quick-Lever Cable Lock:** Easily adjust and secure the cable length as you work. The intuitive quick-lever locking system keeps the cable in place, allowing for controlled movement and thorough cleaning.
- **Manual or Drill Operation:** For extra cleaning power, the unit can be operated manually or attached to a compatible drill—cutting through tough blockages with speed and precision.
- **Generous Reach:** Supplied with a full-length 7.5m (25ft) steel cable, this tool provides extensive reach for clearing out long or deeply embedded clogs.
