 **SENNHEISER**

HD 219s

Enjoy your favorite tracks and talk with your best friends using Sennheiser's universal on-the-ear wired headset HD219s for music, entertainment and communication on the go. Suitable for virtually* all Smartphone brands featuring a 3.5mm headphone jack, it provides stereo sound with powerful bass and blocks outside noise due to the closed on-ear design.

Benefits and Features:

- Vibrant sound with punchy bass – high-output neodymium magnets for stereo sound with powerful bass response
- Universal fit – compatible with virtually any Smartphone in the market featuring 3.5mm headphone jack*, including Android, Windows Mobile, RIM (Blackberry) and IOS devices
- Blocks outside noise – due to closed on-ear headphone design
- Easy Call & Music Control – In-line remote with integrated microphone makes it easy to manage phone calls and at the same time enables you to easily play/pause music* and change track*
- Easy Volume Control – change volume level from the embedded volume slider
- Freedom of movement - single-sided cable reduces tangling
- Adapter – required for compatibility with selected Nokia and Sony Ericsson Smartphones
- Peace of mind – two-year international warranty

Technical Data

HD 219s

Art. No.	504582
