The Android Experience

The beTouch E130 offers the rich Android experience, including instant access to e-mail, the web, maps and of course an almost unlimited choice of apps to make your world more efficient, more productive and a lot more fun.

High-speed communication, wherever you are

With both enhanced 3G (HSDPA) and WiFi connectivity as well as extra-long battery life, the beTouch E130 is perfect to communicate with your friends all day long and offers an almost unlimited number of ways to do so, including Gmail, Google Talk, the hottest social networks and of course SMS and MMS.

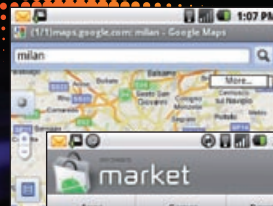

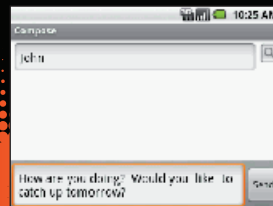

Designed for simplicity

be Touch E130: improve your touchscreen experience! Combining a large 2.6" touchscreen, trackball and a full QWERTY keyboard, the beTouch E130 has a communications edge very few Android smartphones can compete with while still offering full touchscreen capabilities for instant access to your favourite Android games and applications.

Google built-in

The beTouch E130 comes with a full suite of Google applications built right in meaning you get the very best of the web wherever you are. The Android web browser lets you zoom and bookmark with a single finger and also allows you to open several pages at once and easily switch from one to another, while YouTube®, Google Maps® and the Android Market means there's no shortage of ways to experience everything mobile internet has to offer.

Fully social

The beTouch E130 comes with a friendly and highly intuitive user interface for instant access to your favourite music titles, videos and photos as well as all your Internet bookmarks simply by tapping on the Acer widget. Feeling more social?

Then simply tap on the built-in social networking applications like Facebook® and Twidroid as well as the exclusive Acer social apps, Spinlets and UrFozz.

Business class

The beTouch E130 is great for business as it allows you to quickly update your work calendars and retrieve professional emails through Roadsync Mail (with Microsoft Exchange support) as well as read Word, Excel, PowerPoint and PDF attachments with Documents to go. And at just 11.5 mm (0.45") thick, the beTouch E130 puts your entire business comfortably in your pocket.
