

Description

Brake cleaner spray is fast acting and specially developed for cleaning and degreasing of all brake parts. Easy to use formulation that leaves no residue on cleaned components. Heavy duty advanced formulation of cleaning solvents that quickly dissolves and removes grease, oil, brake fluid, road grime, dirt and contaminants. Excellent general purpose degreaser.

- Recommended for easy cleaning and degreasing brake components
- Can also be used to degrease bolts and nuts
- Can be used on master cylinders, disc and drum brakes, callipers, rotors, ABS, cylinders, linings, brake shoes and pads
- Fast drying, quickly evaporates

Directions for use

Shake well before use. Hold in an upright position, spraying from a distance of 30cm. Always test brakes thoroughly after use.
