

Features

- High-Quality Copper Construction
- Tin-Plated Finish
- Wide Application
- Secure & Easy Installation

RS PRO Ring Terminals Red 10mm

RS Stock No.: 0665611

Representative image one colour supplied.

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

This durable vinyl insulated ring terminal ensures secure and reliable electrical connections.

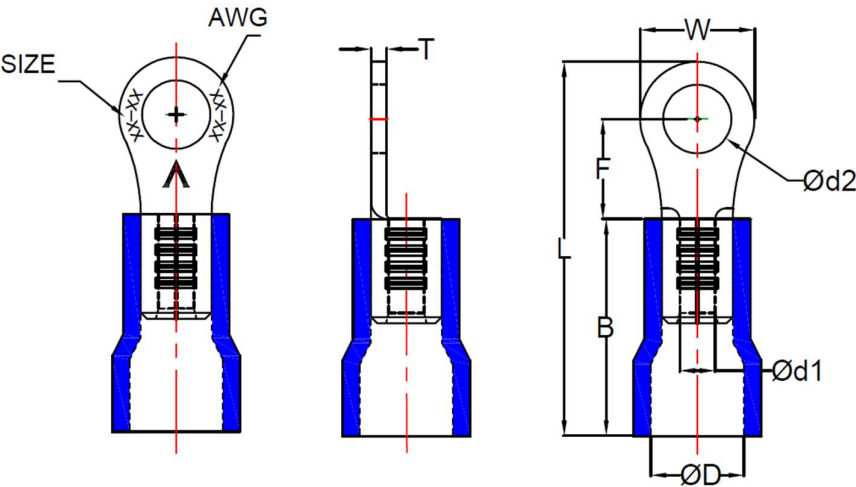

Designed for easy crimping, it features a corrosion-resistant copper core for optimal conductivity and a colour-coded vinyl insulation for added protection and strain relief.

Ideal for automotive, marine, and industrial applications. Available in multiple sizes to suit your wiring needs.
