

Features

- Installed by hand – no tools necessary.
- Winged features provide stability.

RS PRO Dual Locking PCB Supports

RS Stock No.: **0655999**

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

Dual locking supports provide a simple and secure method of mounting and securing printed circuit boards (PCBs). Installed by hand, no tools are necessary. Can be used to stack PCBs or to mount a single board in a chassis. Other lengths and mounting hole sizes are available.
