## RS PRO 3m Violet Lifting Sling Round, 1t

RS Stock No.: 124-4857

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

Attach this round lifting sling to your crane or pulley system for an easy way to lift heavy objects. It can handle a maximum weight of 2 tonnes, making it roughly as strong as a metal chain, though its polyester construction makes it significantly lighter. The 3-metre lifting sling is also highly flexible and shock-absorbing so is less likely to cause damage to your load.

## General Specifications
