

Model Form of Contract for the design, supply and installation of electrical, electronic and mechanical plant

MF/1 (Rev 6)

MF/1 is a key industry Standard Model Form of Contract for the design, supply and installation of electrical, electronic and mechanical plant. In addition to its 'General Conditions' it also includes sets of additional unique 'Special Conditions'.

- Last updated 2010
- Wording within the entire contract has been brought up-to-date to make terms clearer and easier to read
- Payment provision rewritten and forms all improved
- The removal of references to UK specific details allows the document to be internationally applicable

READERSHIP

This standard form of contract is recommended to be used by contracts officers in private and public sector organisations, mechanical and electrical engineers, facilities managers, lawyers and in-house legal representatives
