

# Cordless Drill Holster

**RS Product Code: 1340432**

This drill holster's loop fits onto a tool belt, securing the drill in place when not in use. The holster comes with small front pockets, ideal for drill bits.

## **Features and Benefits:**

- Made from reinforced material to minimise wear and tear.
- Drill holster for use with tool belt.
- External pockets secure drill bits.
- Over strap secures drill in holster.
