

## Features

- **Metal stand:** Equipped with a sturdy metal stand that prevents the tip of the glue gun from touching surfaces, ensuring safe and clean operation.
- **Precise glue application:** Designed to dispense a precise amount of glue for clean and controlled bonding.
- **Fast Heating:** Heats up quickly, minimising waiting time and increasing efficiency.
- **Narrow tip:** The nozzle is designed for easy access to tight and hard-to-reach areas.
- **On/Off switch:** Convenient switch to turn the gun on and off without unplugging.
- **LED indicator:** A built-in LED indicator provides a clear signal of the gun's operating status.

## RS PRO Glue Guns

RS Stock No.: 0326887
