RS PRO 15 pieces Hex Key Set, L Shape 0.7mm

RS Stock No.: 199-5202

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

From RS PRO, this boxed hex key set is a handy way to keep differing allen key sizes all in one place. The box has a robust steel construction, with individual compartments to store all 15 differing sizes of hex key, ensuring your tools are protected and stored neatly in a compact compartment. There is even a built-in foam cushioning to protect the key set from being damaged against the side of the storage box.
