## RS PRO Glass Fibre Podium Step – 3 Tread

RS Stock No.: 0643545

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## RS PRO Glass Fibre Podium Step – 3 Tread

High level of protection given when working with electrical installations thanks to its glass fibre construction and 30,000-volt insulation.

With a large platform (406W x 475Dmm) and kick boards you will feel safe & secure when working at height of long periods. With EN131 professional certification you know safety is assured.

With a high safety rail (950mm above the platform) and integral tool tray this step is ideal for your working at height needs.
