

Features

- Constructed from UL-approved Nylon 66 with UL94V-2 flame retardant rating.
- Extra heavy-duty design for enhanced tensile strength.
- Capable of withstanding extra heavy loads.
- Suitable for bundling large cables

RS PRO Cable Ties

RS Stock No.: 0656105

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

This heavy-duty cable tie is made from UL-approved Nylon 66, offering excellent durability and flame resistance. Designed for high-strength applications, it features a wide profile for enhanced tensile performance, ensuring secure bundling of large cables. The self-locking mechanism provides a firm grip, preventing slippage in demanding environments. Suitable for industrial and heavy-load applications, it meets RoHS compliance standards for safety and environmental responsibility.

General Specifications

Series	Extra Heavy Duty
Type	Non-Releasable
Colour	Natural
Material	Nylon 66
Finish	Smooth
Application	Designed for quick installation and bundling of cables
Resistant To	Not specified
UV Resistant	No
Minimum Operating Temperature	Not specified
Maximum Operating Temperature	Not specified
Fire Behaviour	Self-Extinguishing
Quantity	100

Mechanical Specifications

Length	280mm
Width	12.7mm
Tensile Strength	1112N

Approvals

Declarations	RoHS, Halogen Free
