

Datasheet

RS Pro 180° PIR Light Controller Sensor Switch, Daylight, Wall mount, 220 to 240 V ac

RS Stock No: **791-8260**

Product Details

RS Pro 180° PIR light controller sensor switch has a voltage rating of 220 to 240 V ac and current rating of 1.5 kW. This wall mount energy saving lighting switch features high sensitivity detector, integrate circuit and SMT. The PIR sensor of this lighting controller has a wide detection range, it works with motion infrared rays as control signal sources. This lighting switch also recognises day and night automatically, the sensor can be adjusted to work day and night or only at night.

Features and Benefits

- Shuttters alter detection angle between 180° and 90° in 10° steps
- Adjustable photocell sensitivity prevents daylight usage
- Adjustable sensitivity to minimise nuisance tripping

**Specifications:**

Controller Type	Sensor Switch
Mount Type	Wall
Power Consumption	0.45 W
Range	12 m
Sensor Type	Daylight
Standards Met	CE Certified
Time Delay	8 s to 7 min
Voltage Rating	220 to 240 V ac
Wattage	1.5 kW
