RS Pro Extra Hard Phillips Screw Bits (Box of 10)

RS Stock No: 125-0331
125-0332
125-0333

RS Pro extra hard Phillips screw bits offer an increased service life than standard screw bits due to their special extra hard coating. These bits also have a longer torsion zone than standard screw bits which also helps to give a longer service life and allows higher loads to be applied. Supplied in a compact plastic box.

Specifications:

- ¼" Hexagon Shank
- 25mm long
