- Single vision or varifocal lenses (any power up to +/-8)
- Polycarbonate lenses with Bollé Safety's unique Platinum double sided anti-scratch and anti-fog coating
- Tested and approved to EN166/170 1F K&N
- Choice of 17 different frame styles (B707, B708, B709, B710, B712, B713, B805, B806, B806ALU, B807, B808, Boss, Iris, Slide, Tracker, Twister and Urban)

Step By Step Guide

- Complete all of your personal details in the top section of the form
- Visit your nearest Boots Opticians or independent optician with the prescription form
- Boots Opticians have the Bollé Safety frames available for you to view and select, 17 frames available to choose from
- Your Optician will complete the technical section of the form
- The completed form will then be sent to Bollé Safety by your optician for processing.
- When your safety glasses are manufactured they will be sent directly back to your optician
- Your optician will then contact you to arrange an appointment and advise the glasses are ready for collection and final fitting
