

FEATURES

- **Synthetic Rubber Adhesive:** Provides strong adhesion to surfaces, ensuring the tape stays in place during use
- **Paper Backing:** Allows for easy tearing and application, enhancing user convenience
- **Blue Colour:** Offers high visibility, making it easy to see and remove
- **50 m Length:** Provides ample tape for multiple applications, reducing the need for frequent replacements
- **0.09 mm Thickness:** Ensures durability while maintaining flexibility for various tasks
- **25 mm Width:** Suitable for detailed work, offering precision in masking applications
- **Adhesion Strength of 2.2 N/cm:** Ensures reliable performance on steel surfaces

RS PRO 25mm Blue Masking Tape, Synthetic Rubber Adhesive

RS Stock No: 677-027

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This RS PRO masking tape is designed for precision masking applications, providing reliable adhesion and easy removal. Ideal for use in painting and decorating, it ensures clean lines and protects surfaces from paint splatters. The synthetic rubber adhesive offers excellent bonding to various surfaces, making it a versatile choice for both professional and DIY projects.
