0434596

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

Designed for connection of round and sector shape aluminium conductors for voltage up to 1kV. Increase the safety

General Specifications

Material:	Aluminum pipe drawing in the recrystallizing condition of EN AW-1050 A
------------------	--

Mechanical Specifications

Assembly type:	Cable terminal lug designed for crimping
-----------------------	--

Electrical Specifications

Recommended up to:	1 kV
---------------------------	------

Approvals

Declarations	MFR Declaration of Conformity
Hazardous Area Certification	ATEX / IECEx
