

## Features

- Compact and lightweight design is ideal for use in laboratories, assembly lines, or in the field
- Consistent cleaning results without IPA alcohol, which is toxic, flammable, and leaves a residue on fibre ends (white haze)
- Excellent anti-static properties for static sensitive applications and to minimize reattachment of dust to ferrule after cleaning
- Simple push button shutter operation exposes cleaning tape only when in use – minimizing unwanted dust
- Replaceable and cost-effective cleaning tape
- Over 400 wipes per tape

## RS PRO Fibre Optic Cassette Cleaner

RS Stock No: 121-4199

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

# Fibre Optic Cleaners

## Product Description

Introducing a superb cleaning cassette and tape, a top-notch fibre optic connector cleaner from RS PRO. Compact fits in the palm of your hand, and guarantees the removal of dust, oils, and particles that can compromise fibre connector performance and potentially damage the fibres. This hand tool employs a push-button shutter mechanism that exposes the precise amount of cleaning tape needed for efficient maintenance. Choose from a selection of white and blue tapes within this range, and easily replace them with separately available replacement tapes for continuous, reliable use.
