

Datasheet

Black Single Sided Foam Tape, PVC

RS Stock number [205-0861](#)

Description

Black low density PVC foam sealing strip with high strength adhesive to seal against light, dust and water in mechanically fastened assemblies.

High strength adhesive to keep foam in place during assembly

Excellent resistance to weather, fungi and oxidation ensures a long seal life

Closed cell construction gives a positive seal at only 30% compression and requires less material to seal than open cell foams

Easy peel liner prevents stretching during installation

Single Sided Tape

Wide range of applications; air conditioning, telecommunications, aircraft, marine and automotive industries

Specifications

Application	Air Conditioning, Aircraft, Automotive, Marine, Sealing, Telecommunications
Backing Material	PVC
Colour	Black
Length	30m
Thickness	3mm
Width	12mm
