- Handrail folds down for use as a compact hop-up platform.
- Lightweight aluminium construction.
- Compact folding design for easy storage and transport.
- Large moulded feet provide excellent floor contact and stability.
- Ideal for repetitive access tasks and prolonged standing applications.
- Suitable for professional and intensive use.

RS PRO by Little Giant®

Jumbo Step™ Aluminium Step Stool

RS PRO® is the own brand of RS. Combining quality, choice and value, RS PRO products are professionally approved and trusted by engineers worldwide. Little Giant® is a registered trademark of Little Giant Ladder Systems.

Product Description

The RS PRO by Little Giant® Jumbo Step™ is a premium professional step stool that combines the trusted quality of RS PRO with Little Giant's innovative access equipment design. Engineered for maximum comfort, stability and ease of use, the Jumbo Step™ is ideal for tasks requiring frequent climbing or extended periods of standing at height.

Featuring extra-wide slip-resistant treads, a folding handrail with integrated tool tray and a compact folding design, the Jumbo Step™ provides a comfortable and practical alternative to conventional stepladders. The stair-like steps offer enhanced user confidence and stability, making it suitable for a wide range of professional and industrial applications.

Standards and Compliance

Standard	EN14183:2003

Key Features Explained

Jumbo 215mm Comfort Treads

Unlike conventional stepladders, the Jumbo Step™ features oversized 215mm deep treads, providing a more natural standing position and significantly improved comfort during prolonged tasks.

Integrated Tool Tray

The handrail incorporates a practical tool tray, allowing users to keep tools and accessories close at hand, improving productivity and reducing trips up and down the ladder.

Convertible Handrail Design

The folding handrail can be lowered when required, allowing the product to be used as a compact hop-up platform while maintaining easy storage characteristics.

Enhanced Stability

Large moulded feet provide excellent grip and floor contact across a variety of indoor surfaces, helping to improve user stability and confidence.

Safety Note

Always inspect ladder equipment before use and follow all applicable workplace safety procedures. Ensure the ladder is fully locked into position before climbing.
