

Magneto Silent Clock Ø25 cm

Réf. 11254

orium®

USES

This clock meets a need of consumers in the Office market: clock that can be fixed on any metal surface - Essential model in a range of professional clocks

Ø 25cm

PRODUCT DETAILS

This clock can be attached to any metal surface thanks to its 4 magnets located on the back of the clock: ideal in a workshop, but also in an office attached to a metal shelf. Avoids drilling in the wall.
