

FEATURES

- **2:1 Shrink Ratio:** Allows the tubing to conform tightly to the underlying material, providing a secure fit.
- **Clear Material:** Enables easy inspection of components and connections without removal.
- **Halogen-Free:** Reduces the risk of toxic emissions in case of fire, enhancing safety.
- **Polyolefin Material:** Offers excellent resistance to chemicals and abrasion, ensuring long-lasting performance.
- **12.7 mm Shrunk Diameter:** Suitable for a wide range of wire sizes, offering versatility.
- **1 m Sleeve Length:** Provides ample coverage for various applications, reducing the need for multiple pieces.

RS PRO 2:1 Clear Heat Shrink Tubing, 12.7 mm Shrunk Diameter

RS Stock No: 671-561

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This RS PRO clear heat shrink tubing is designed to provide reliable insulation and protection for electrical connections. With a 2:1 shrink ratio, it effectively reduces in size to fit snugly around wires and components, ensuring a secure and durable fit. Ideal for use in environments where visibility of the underlying components is necessary, this tubing offers a practical solution for a variety of electrical applications.

General Specifications

Colour	Clear
Flame Retardant	No
Halogen Free	Yes
Product Type	Heat Shrink Tubing
Shrink Ratio	2:1

Mechanical Specifications

Material	Polyolefin
Shrunk Diameter	12.7 mm
Sleeve Diameter	25.4 mm
Sleeve Length	1 m

Approvals

Standards/Approvals	REACH, RoHS
