Kraftform Kompakt VDE 60 iS, 1.0 x 5.5 x 154 mm

EAN:	4013288163905	Code:	05003408001
Type:	KK 60 iS		
Size:	1.0x5.5x154		

Interchangeable insulated VDE blade for Kraftform Kompakt VDE handles. The reduced blade diameter allows sunken screws and spring elements to be accessed and actuated. For slotted screws. 9 mm hexagonal with entry chamfer. Conical blade, zinc-phosphated, Black Point tip to ensure a precise fit and optimised corrosion protection. Tested individually in a water bath at 10,000 volts to guarantee the safe working at their maximum permitted load of 1,000 volts.
