

### Shrinkable markers, Continuous Tube Thermal transfer – TCGT – 3:1 Commercial Grade

TCGT39-13WH 553-33951

TCGT39-13YE 553-33950

TCGT is a commercial grade 3:1 heatshrink material supplied as a continuous tube and printable on both sides. The supplied accessories allow users to either perforate the tubing at pre-determined lengths (P4000), or fully sever the markers (S4000) whilst printing with the TrakMark DS or TT4000+ printer.

TYPE	Supplied Ø D min	Recov. Ø d	Wall (WT)	Colour	Pack cont.	UNS Number
TCGT39-13WH	39.0	13.0	1.25	White	10m	553-33951
TCGT39-13YE	39.0	13.0	1.25	Yellow	10m	553-33950

### Features and Benefits

Shrink ratio 3:1

Available in Black, Blue, Red, White, and Yellow

Cable range from 39mm to 1mm

Good mechanical strength and resistance to organic solvents and chemicals

Highly flexible

Fulfils CSA requirements

Delivery in convenient storage boxes

Easy label design with TagPrint Pro

MATERIAL	Polyolefin, cross – linked (PO-X)
Operating Temperature	-55°C to + 135 °C
Recommended Ribbon	TTDTHOUT, TTRW
Specifications	CSA
