

v.071307	Unity™ Application Development Software Parts List
Catalog Number	Description

Unity Pro v3.0 Programming Software

UNYSPUSFUCD30	UNITY PRO S SINGLE LIC. V3.0 Programming package Unity Pro Small single user license. Support on CDROM; version V3.0 in 6 languages. Unity Pro S programs the Modicon M340 PLC exclusively. Includes M340 firmware updates, Unity Loader, Electronic documentation. Does NOT include application converters. Includes one-year subscription service.
UNYSPUSFGCD30	UNITY PRO S GROUP LIC. V3.0 Programming package Unity Pro Small for a group of 3 users. Includes a one-year subscription service.
UNYSPUSFTCD30	UNITY PRO S TEAM LIC. V3.0 Programming package Unity Pro Small for a team of up to 10 users. Includes a one-year subscription service.
UNYSPUMFUCD30	UNITY PRO M SINGLE LIC. V3.0 Programming package Unity Pro Medium for single user. Support on CDROM; version V3.0 in 6 languages. Unity Pro M programs the following processors: Modicon M340 and Premium CPUs: TSXP570244M, TSXP57CA0244M, TSXP57CD0244M, TSXP57104M, TSXP57154M, TSXP571634M, TSXP57204M, TSXP572634M, TSXP57254M; and Atrium TSXPCI57204M. Includes firmware updates, OS/Unity loader, Electronic documentation, Application converters from PL7 to Unity Pro. Includes one-year subscription service.
UNYSPUMFGCD30	UNITY PRO M GROUP LIC. V3.0 Programming package Unity Pro Medium for a group of 3 users. Includes a one-year subscription service.
UNYSPUMFTCD30	UNITY PRO M TEAM LIC. V3.0 Programming package Unity Pro Medium for a team of up to 10 users. Includes a one-year subscription service.
UNYSPUMETCD30	UNITY PRO M TEAM EDUCATIONAL LIC. V3.0 Unity Pro Medium version for Educational organizations. It can only be sold to Educational Institutions (school, college, university) for the purpose of education. Number of users must not exceed 10 and must be located on a single geographical site. Includes a one-year subscription service.

UNYSPULFUCD30	UNITY PRO L SINGLE LIC. V3.0 Programming package Unity Pro Large for single user. Support on CDROM; version V3.0 in 6 languages. Unity Pro L programs the following processors: All processors listed for Unity Pro Small (UNY SPU SFU CD 30), Unity Pro Medium (UNY SPU MFU CD 30), and Premium TSXP57304M, TSXP57354M, TSXP573634M, TSXP57454M, TSXP574634M; Quantum 140CPU31110, 140CPU43412U, 140CPU53414U; and Atrium TSXPCI57354M. Includes Premium and Quantum firmware updates, OS/Unity loader, Electronic documentation, Application converters from PL7 and Concept IEC to Unity Pro. Includes with one-year subscription service.
UNYSPULFGCD30	UNITY PRO L GROUP LIC. V3.0 Programming package Unity Pro Large for a group of 3 users. Includes a one-year subscription service.
UNYSPULFTCD30	UNITY PRO L TEAM LIC. V3.0 Programming package Unity Pro Large for a team of up to 10 users. Includes a one-year subscription service.
UNYSPULFFCD30	UNITY PRO L FACILITY LIC. V3.0 Programming package Unity Pro Large for a facility of up to 100 users at a single geographical site. Includes a one-year subscription service.
UNYSPUEFUCD30	UNITY PRO XL SINGLE LIC V3.0 Programming package Unity Pro Extra Large for single user. Support on CDROM; version V3.0 in 6 languages. Unity Pro XL programs all Unity-compliant processors, which includes: All processors listed for Unity Pro Large (UNY SPU LFU CD 30) and Medium (UNY SPU MFU CD 30) and Small (UNY SPU SFU CD30), Modicon M340 and Premium TSXP575634M, TSXP57554M; Quantum 140CPU65150, 140CPU65160, 140CPU67160. The package includes: M340, Premium and Quantum firmware updates, OS/Unity loader, Electronic documentation, Application converters from PL7 and Concept IEC to Unity Pro. Includes one-year subscription service.
UNYSPUEFGCD 30	UNITY PRO XL GROUP LIC. V3.0 Programming package Unity Pro Extra Large for a group of 3 users. Includes a one-year subscription service.
UNYSPUEFTCD 30	UNITY PRO XL TEAM LIC. V3.0 Programming package Unity Pro Extra Large for a team of up to 10 users. Includes a one-year subscription service.
UNYSPUEFFCD 30	UNITY PRO XL FACILITY LIC. V3.0 Programming package Unity Pro Extra Large for a facility of up to 100 users at a single geographical site. Includes a one-year subscription service.
UNYSPUEEFCD30	UNITY PRO XL SITE EDUCATIONAL. V3.0 Unity Pro Extra Large version V3.0 for Educational organizations. It can only be sold to schools for the purpose of education. Number of users must not exceed 100 and must be located on a single geographical site. Includes a one-year subscription service.
UNYSPUETUCD30	UNITY PRO XL V3.0 TRIAL 10 PACK Provides 60-days of Unity Pro XL full useage functionality (without electronic documentation, OS/Unity loader, drivers or application converter). Includes 10 Unity Pro XL Trial CDs.

UNY SMU ZUCD 10	UNITY LOADER SOFTWARE (only for Modicon M340) Provides ability to easily Upload / Download an Unity application using a PC, without using Unity Pro. Also provides M340 OS firmware update capability.

Unity Pro v3.0 Software Upgrade Packages

UNYSPUSZUCD30	Upgrade from PL7 Micro, Concept S, ProWORX NxT Lite / 32 Lite to Unity Pro Small for SINGLE user. Support on CDROM; version 3.0 in 6 languages. User must have active subscription on PL7 Micro, Concept S, ProWORX NxT Lite / 32 Lite. Includes same content as Unity Pro S Single License, and is bundled with one-year subscription service.
UNYSPUSZGCD30	Upgrade from PL7 Micro, ProWORX NxT Lite / 32 Lite to Unity Pro Small for GROUP of 3 concurrent users. CDROM, V3.0. Must have active subscription on PL7 Micro, ProWORX NxT Lite / 32 Lite for a Group of users. Same content as Unity Pro S Group License, includes one-year subscription service.
UNYSPUSZTCD30	Upgrade from PL7 Micro, ProWORX NxT Lite / 32 Lite to Unity Pro Small for TEAM of 10 concurrent users. CDROM, V3.0. Must have active subscription on PL7 Micro, ProWORX NxT Lite / 32 Lite for a Team license. Same content as Unity Pro S Team License, includes one-year subscription service.
UNYSPUMZUCD30	Upgrade from PL7 Micro /Junior, Concept S /M, ProWORX NxT Lite / 32 Lite, to Unity Pro Medium for SINGLE user. Support on CDROM; version 3.0 in 6 languages. User must have active subscription on PL7 Micro /Junior, Concept S /M, ProWORX NxT Lite / 32 Lite. Includes same content as Unity Pro M Single License, and is bundled with one-year subscription service.
UNYSPUMZGCD30	Upgrade from PL7 Micro /Junior, ProWORX NxT Lite / 32 Lite, to Unity Pro Medium for GROUP of 3 concurrent users. CDROM, V3.0. Must have active subscription on PL7 Micro /Junior, ProWORX NxT Lite / 32 Lite for a Group of users license. Same content as Unity Pro M Group License, includes one-year subscription service.
UNYSPUMZTCD30	Upgrade from PL7 Micro /Junior, ProWORX NxT Lite / 32 Lite to Unity Pro Medium for TEAM of 10 concurrent users. CDROM, V3.0. Must have active subscription on PL7 Micro /Junior, ProWORX NxT Lite / 32 Lite for a Team license. Same content as Unity Pro M Team License, includes one-year subscription service.
UNYSPULZUCD30	Upgrade package from PL7 Micro /Junior/Pro, Concept S /M, ProWORX NxT Lite / 32 Lite, to Unity Pro Large for SINGLE user. Support on CDROM; version 3.0 in 6 languages. User must have active subscription on PL7 Micro /Junior/Pro, Concept S /M, ProWORX NxT Lite / 32 Lite for a single user license. Includes the same content as Unity Pro L Single License, and is bundled with one-year subscription service
UNYSPULZGCD30	Upgrade package from PL7 Micro /Junior/Pro, ProWORX NxT Lite / 32 Lite, to Unity Pro Large for GROUP of 3 concurrent users. CDROM, V3.0 in 6 languages. Must have active subscription on PL7 Micro /Junior/Pro, ProWORX NxT Lite / 32 Lite for a group of users license. Same content as Unity Pro L Group License, includes one-year subscription service.
UNYSPULZTCD30	Upgrade package from PL7 Micro /Pro, ProWORX NxT Lite / 32 Lite, to Unity Pro Large for TEAM of 10 concurrent users. CDROM, V3.0 in 6 languages. Must have active subscription on PL7 Micro /Pro, ProWORX NxT Lite / 32 Lite for a team of users license. Same content as Unity Pro L Team License, includes one-year subscription service.

UNYSPULZFCD30	Upgrade package from PL7 Pro, ProWORX NxT Lite / 32 Lite, to Unity Pro Large for FACILITY of 100 concurrent users at same geographic site. CDROM, V3.0 in 6 languages. Must have active subscription on PL7 Pro, ProWORX NxT Lite / 32 Lite for a facility license. Same content as Unity Pro L Facility License, includes one-year subscription service.
UNYSPUEZUCD30	Upgrade package from PL7 Micro /Junior/Pro, Concept S /M/XL, ProWORX NxT Lite / Nxt - 32 Lite, to Unity Pro Extra Large for SINGLE user. Support on CDROM; version 3.0 in 6 languages. User must have active subscription on PL7 Micro /Junior/Pro, Concept S /M/XL, ProWORX NxT Lite / NxT - 32 Lite. Includes the same content as Unity Pro XL Single License, and is bundled with one-year subscription service.
UNYSPUEZGCD30	Upgrade package from PL7 Micro /Junior/Pro, Concept XL, ProWORX NxT Lite / NxT - 32 Lite / 32, to Unity Pro Extra Large for GROUP of 3 concurrent users. CDROM, V3.0 in 6 languages. Must have active subscription on PL7 Micro /Junior/Pro, Concept XL, ProWORX NxT Lite / NxT - 32 Lite / 32 for a Group of 3-users licenses. Same content as Unity Pro XL Group License, includes one-year subscription service.
UNYSPUEZTCD30	Upgrade package from PL7 Micro /Pro, Concept XL, ProWORX NxT Lite / NxT - 32 Lite / 32, to Unity Pro Extra Large for TEAM of 10 concurrent users. CDROM, V3.0 in 6 languages. Must have active subscription on PL7 Micro /Pro, Concept XL, ProWORX NxT Lite / NxT - 32 Lite / 32 for a Team of 10-users licenses. Same content as Unity Pro XL Team License, includes one-year subscription service.
UNYSPUEZFC30	Upgrade package from PL7 Pro, Concept XL, ProWORX NxT Lite / NxT - 32 Lite / 32, to Unity Pro Extra Large for FACILITY of 100 concurrent users at same geographic site. CDROM, V3.0 in 6 languages. Must have active subscription on PL7 Pro, Concept XL, ProWORX NxT Lite / NxT - 32 Lite / 32 for a facility/Site license. Same content as Unity Pro XL Facility License, includes one-year subscription service.

Unity Application Generator Software

UAGSEWLFUCD23	UNITY APPLICATION GENERATOR V2.3 STANDARD Single-User License To renew a service subscription or reinstate an expired subscription, please call Telemecanique Automation and Control Services in North Andover at 1-888-266-8705.
UAGSEWLFFCD23	UNITY APPLICATION GENERATOR V2.3 STANDARD Site license To renew a service subscription or reinstate an expired subscription, please call Telemecanique Automation and Control Services in North Andover at 1-888-266-8705.

Unity Accessory Software and Cables

UNYSDUDFUCD20	UNITY DIF V2.0 SINGLE LICENSE; This Unity Pro option provides users with the ability to compare two different project files. It generates a report that identifies differences between the two projects. Users can review the generated report on-screen, save the report as a file, or print the report. The Unity Dif offer does not involve a subscription. (Available after April 2007)
---------------	---

UNYSDUMFUCD20	Unity SFC View; Version 2.0; Single user license. SFC View is an ActiveX control that displays animated status of a Sequential Function Chart (SFC) on an operator screen . It provides details of the active step, cause analysis (for transition failure), action variable state and value, support for parallel branches, support for alternative branches and navigation through the SFC. Can be run within any software (such as an internet browser) which supports ActiveX.
UNYSDUMFTCD20	Unity SFC View; Version 2.0; same as UNYSDUMFUCD20, for up to 10 installations at a single geographic site.
UNYSDUMFFCD20	Unity SFC View; Version 2.0; same as UNYSDUMFUCD20, for up to 100 installations at a single geographic site.
UNYSPUZFUCD30E	UNITY EFB Toolkit Single License -Companion software to Unity Pro that allows the user to create functions (EFs) and function blocks (EFBs). EFs and EFBs are designed in "C" language. The developed libraries of EFs and EFBs can be installed inside the Unity Pro library. Software is in English. The CD package includes: Microsoft Visual C# net standard edition, GNU source code and compiler, Electronic documentation, and is bundled with one-year subscription service.
TLXCDDRV20M	All drivers on CD , including USB, UniTelway, Modbus, XWAY, PCIWay (for Atrium PLCs). This is included with OFS, UNITY Pro, Monitor Pro.
TLXCDGTW10M	Atrium to TCP/IP gateway. Allows use of ethernet port on host PC for Modbus messaging when using an Atrium PLC.
TLXCD10GTW10M	Atrium to TCP/IP gateway, 10 stations
TLXCDUNGTW10M	Atrium to TCP/IP gateway, unlimited
TSXPCX1031	RS232 Programming cable. Connects PLC to PC for programming with PL7 or Unity. PC side has a 9pin sub D for RS232 communication, PLC side has 8 pin Mini-Din for programming processors which do not have a USB programming port.
TSXCUSB485	USB – RS485 converter: allows a PC USB port to connect to remote devices on RS-485 network. Modbus and Unitelway compatible, requires standard Schneider drivers provided with software such as UNITY, PL7-Pro or part of the CD driver TLXCDDRV20M (used with TSXCRJMD25, replaces cable TSXPCX3030)

TSXCRJMD25	Junction cable between TSXCUSB485 converter and PLC's with Mini-DIN connector such as Twido, TSX Micro and Modicon Premium, 2.5m.
TSXCRJDB25	Junction cable between TSXCUSB485 converter and Unitelway tap TSXSCA62, 2.5m.
TSXCUSBMBP	USB – Modbus Plus converter: allows a PC USB port to connect to remote devices on a Modbus Plus network with full diagnostic monitoring. CD provided includes drivers (Windows 2000, XP) and user guide.
TSXCUSB232	USB – RS232 converter: allows a PC USB port to connect to remote devices on RS-232 network. Modbus and Unitelway compatible, requires standard Schneider drivers provided with software such as UNITY, PL7-Pro or part of the CD driver TLXCDDRV20M
UNYXCAUSB033	USB Programming Cable, 3.3m. Connects PC to Unity -specific PLCs (Quantum, Atrium, Premium or other). USB plug on either end.
UNYUSE909CDM	UNITY Electronic Documentation on CD rom. Includes Unity Pro Software, EF/EFB/DFB Libraries, Communication architectures and services, Premium/Atrium, Quantum, Momentum, Grounding and cabling

Unity Bronze Level Service Renewal

Each part number provides 1 year of free software updates and 1 year of technical support during regular business hours. These part numbers can only be ordered as renewal of the Bronze Support Service received for free during year one. The Schneider Electric Services part numbers with the 771 prefix CAN NOT be ordered through Q2C/MySchneiderElectric. Contact Schneider Electric Services at 888-266-8705.
