RS PRO 2m VGA/SVGA HD15 Male to RGB 5 BNC Cable

Stock number: 182-8827

EN

Our RS PRO 2m RGB monitor cable comes with a high density 15 pin male connectors which is commonly known as a VGA or SVGA connector to 5 BNC connectors for RGB, Vertical sync and Horizontal sync. It has a ferrite to help to cut out interference. The jacket and the connector hoods are made of beige PVC.

The SVGA connector is one of the most common video connectors found on computers. SVGA is an analogue signal which is slowly being replaced by digital cables such as HDMI and Displayport.
