

FEATURES

- **5 m cable length:** Offers extended reach for flexible installations
- **2.5 mm DC plug:** Ensures compatibility with a wide range of devices
- **3 A current rating:** Supports efficient power transmission
- **Polyvinyl Chloride jacket:** Provides durability and protection
- **Black colour:** Offers a professional and discreet appearance
- **Straight mains plug type:** Simplifies connection in tight spaces

RS PRO 5 m DC Cable, 2.5 mm DC Plug

RS Stock No: 707-845

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This RS PRO DC Cable is designed for reliable power transmission in various electronic applications. With a length of 5 metres, it provides flexibility and reach, making it ideal for connecting devices that require a 12 V power supply. The cable features a 2.5 mm DC plug on one end and an open connection on the other, allowing for versatile use in custom setups.
