

Features

- **Compact & Durable** – Designed for use on small equipment and confined installations without compromising durability.
- **Secure Tag Protection** – Holds and shields the property tag, keeping critical inspection and maintenance data safe.
- **Automatic Safety Messaging** – Displays “DO NOT USE THIS EQUIPMENT” when the insert is removed to prevent unsafe operation.
- **Enhanced Safety Communication** – Ensures clear and immediate visibility of equipment status during faults or servicing.
- **Versatile Application** – Compatible with a variety of small tools, electrical devices, and compact machinery.
- **Promotes Compliance** – Helps reinforce safety procedures and inspection protocols at the point of use.

RS PRO 20 Safety Mini Tag Holder Set

RS Stock No.: 0710499

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

- *The Mini Property Tag Holder offers a practical and space-saving solution for displaying inspection and maintenance data.*
- *Designed to hold one mini tag insert measuring 50mm x 35mm.*
- *Specially designed for small tools and equipment, ensuring secure placement and visibility of property tags.*
- *Features a built-in safety alert that activates when the tag insert is removed, cautioning personnel with a clear "DO NOT USE THIS EQUIPMENT" message.*
- *Helps streamline inspection tracking and promote safer maintenance practices in industrial and electrical environments.*
- *Durable construction ensures long-lasting performance even in demanding conditions.*
- *Ideal for improving workplace safety compliance and communication at the equipment level.*
