

FEATURES

- **Polypropylene Construction:** Ensures durability and resistance to chemicals
- **31 Litre Capacity:** Provides ample space for various components
- **Portable Design:** Easy to transport, enhancing flexibility in use
- **ANSI-ESD S20.20:2021 Compliant:** Meets electrostatic discharge protection standards
- **REACH and RoHS Compliant:** Ensures safety and environmental responsibility
- **Compact Dimensions:** 400 mm width, 300 mm depth, and 320 mm height for efficient space utilisation

RS PRO 31L Polypropylene Storage Container

RS Stock No: 630-951

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This RS PRO storage container is designed for efficient organisation and protection of components in industrial environments. Made from durable polypropylene, it offers a robust solution for storing a variety of items. Its grey colour provides a professional appearance, and with a load capacity of 31 litres, it is ideal for both small and large items.

General Specifications

Colour	Grey
Portable	Yes
Product Type	Storage Container
Sub Type	Storage Bin

Mechanical Specifications

Bin Material	Polypropylene
Load Capacity	31 L
Overall Depth	300 mm
Overall Height	320 mm
Overall Width	400 mm

Approvals

Standards/Approvals	ANSI-ESD S20.20:2021, REACH, RoHS
