## RS PRO Ergo Twin Office Chair

RS Stock No: 197-0403

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

## Product Description

Introducing RS PRO office chairs, an ergonomic range of high quality and durable chairs with adjustable features, suitable for use within an office environment. The RS PRO Ergo Twin model is a twin lever operator chair that features a highly comfortable seat and backrest, covered with a durable and easy to clean fabric reducing the risk of deterioration from spillages and debris. The seat can be adjusted to the required height via a gas lift mechanism, allowing the chair to be used with a variety of office furniture at different heights. The RS PRO Ergo Twin chair also features a floating or fixed permanent contact backrest for comfort and posture to be adjusted accordingly, reducing the risk of injury or strain.
