

FEATURES

- **1 m cable length:** Offers flexibility and ease of installation in various setups
- **IEC C13 to CEE 7 connectors:** Ensures compatibility with a wide range of devices
- **16 A current rating:** Supports high-power applications safely
- **250 V voltage capacity:** Suitable for standard electrical systems
- **Right angle plug:** Saves space and reduces strain on connections
- **Angled socket type:** Facilitates convenient connections in tight spaces
- **Grey PVC jacket:** Provides durability and protection against wear

RS PRO 1m Y Junction Power Cable, IEC C13 to CEE 7

RS Stock No: 558-955

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This RS PRO Y Junction Power Cable is designed for efficient power distribution, featuring a 1-metre length that provides flexibility in various setups. With a current rating of 16 A and a voltage capacity of 250 V, it is ideal for connecting multiple devices safely and reliably. The cable's robust construction ensures durability, making it suitable for both industrial and commercial environments.

General Specifications

Connector Type A	IEC C13
Connector Type B	CEE 7
Jacket Colour	Grey
Mains Socket Type	Angled
Product Type	Y Junction Power Cable

Mechanical Specifications

Cable Length	1 m
Jacket Material	Polyvinyl Chloride

Electrical Specifications

Current Rating	16 A
Mains Plug Type	Right Angle Plug
Voltage	250 V

Approvals

Standards/Approvals	CCCs, CEBEC, CSA, D, EAC, ENEC 11, FI, ICC, IMQ, JET, KEMA, KEUR, N, NF, OVE, PSE, RCM N10544, S, SII, UL, VDA
