RS PRO Basic Chair

RS Stock No.: 0687569

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Our RS PRO Basic chair is a modern seating solution designed for production and technical environments where comfort, functionality, and durability are key. It combines ergonomic design with high-quality materials to ensure long-lasting performance and user comfort throughout the workday.

Product Features:

- ✓ **Contoured seat** – ergonomic shape provides comfort even during extended use
- ✓ **Seat and backrest made of high-resilience foam** – offers excellent cushioning and body support
- ✓ **Five-star chrome-plated steel base** – ensures stability and long service life
- ✓ **Safety-First Design** – For maximum safety, the tallest model is equipped with glides instead of castors

A practical and cost-effective choice for workshops and other professional workspaces.
