

Anchor WA 50

Art. no. 04294

Page 1 of 2

Technology

- Strong wall anchor made of special hardened steel
- Mounting accessories included

Operation and use

- The anchor allows the locking of two-wheel vehicles in garages, cellars, at houses and carports. The WA 50 is meant for wall installation. In combination with a high level ABUS lock it builds a very secure unit.

Tips

- After installing this anchor correctly it can only be removed with a considerable effort - the usage in rented places has to be checked by the installer
- The WA 50 is weatherproof and can be installed indoors or outdoors

The strong connection
