Slim chrome post with flared base â€“ 5 m red belt

Slim post with flared base and retractable belt, ideal for marking and organizing passageways or queues in professional, commercial, or event spaces. Its flared base ensures stability, while the sleek, minimalist design fits seamlessly into any environment. Equipped with an easy-to-use retractable belt, it allows for quick and flexible setup. Available in multiple colors, with belts measuring 3 m or 5 m in length and 5 cm or 10 cm in width, to perfectly suit all your needs.
