

Features

- Flexible and durable H03VVH2F2X0.75-pvc cable
- European plug XVI EN50075 2.5A-250V
- Untermated end jacket stripped 25mm cores insulation stripped 5mm
- Fully moulded connectors for strength and durability
- Integrated strain relief for connection support and protection
- 2.0m Length

RS PRO 2.0m Power cable Untermated ends to XVI EN50075 2.5A 250 V

RS Stock No: 0707736

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

- RS PRO Power cable in black colour, has an unterminated end on one end and a European plug type XVI on the other end and it is 1.8m long current rated for 2.5A and voltage rated for 250 v. The power cord is designed for environments in which an earthing is not required such as in double insulated devices, for example when audio interference/ noise is caused by the earthing is a concern.
