

# Data sheet Product SK 481 75 SA

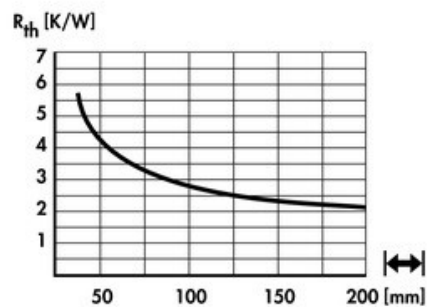

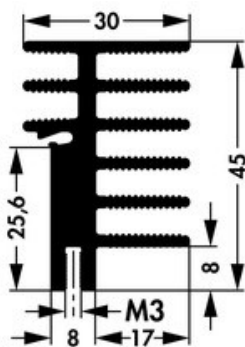

Profile heatsinks and liquid coolers>Extruded heatsinks for lock-in retaining spring  
 30 x 45 mm, for THFU 1-4+6, profile threads

## Features

|                     |                                                                                                        |
|---------------------|--------------------------------------------------------------------------------------------------------|
| width:              | 30 mm                                                                                                  |
| height:             | 45 mm                                                                                                  |
| length:             | 75 mm                                                                                                  |
| thermal resistance: | 5.7 - 2.2 K/W                                                                                          |
| surface:            | black anodised                                                                                         |
| custom processing:  | <ul style="list-style-type: none"> <li>• individual CNC machining</li> <li>• desired length</li> </ul> |
