A technical drawing of the Union SA flow control valve. It shows a top view and a side view. The top view includes dimensions A (width of the valve body), B (total height), C (width of the side ports), E (height of the adjustment knob), and X (width of the adjustment knob). The side view shows the valve body with a central port and two side ports. The drawing is labeled with '2-C' and '2-ΦA' indicating the side ports and their diameter.
