# RS PRO 100 ml Pump Spray Precision Cleaner & Degreaser for Fax Machine, Printers

RS Stock No.: 217-3891

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

RS PRO precision cleaner which cleans print rollers and restores grip. This cleaner can be used for all types of printers with a rubber platen, all typewriters with a rubber roller and fax and photocopier maintenance. This platen cleaner does not leave a residue and your printing equipment is left ink, oil and grease free. Frequent cleaning and maintenance can reduce breakdown costs of equipment failure, therefore saving you money in the process.
