

Features

- **Self-Laminating Protection** – Tags include a self-adhesive clear flap that seals over the written surface, protecting information from dirt, grease, moisture, and abrasion.
- **Durable & Weatherproof** – Made from waterproof, tear-resistant, and scratch-resistant materials for rugged environments.
- **Compact Box Design** – Supplied in a portable, disposable box for easy access at job sites.
- **Field-Ready** – Perfect for field maintenance, construction, and industrial operations requiring durable tagout solutions.
- **50 Self-Laminating Tags Included** – Ready-to-use tags packed conveniently in one disposable unit.
- **Writable Matte Surface** – Double-sided matte surface allows effortless writing beneath the lamination layer.

RS PRO Self-Laminating Lockout Tags in a Box (50)

RS Stock No.: 0694393

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

- *Tags in a Box with Self-Laminating Tags provide a premium lockout/tagout tagging solution designed for harsh industrial environments and field operations.*
- *Comes in a compact, disposable box with hanging provision—ideal for placing near work zones for quick access.*
- *Each tag features a self-adhesive clear lamination flap that seals written information, protecting it from dirt, oil, moisture, and abrasion.*
- *Built from tear-proof, waterproof, and scratch-resistant materials, ensuring long-term durability even in extreme environments.*
- *Includes 50 tags that support double-sided writing on a matte finish surface, ideal for adding notes, signatures, or safety messages.*
- *A perfect solution for portable and protected safety tagging in compliance with workplace safety protocols.*
- *Suitable for both indoor and outdoor use.*
