- Versatile rubber runner.
- Open holes provide excellent drainage.
- A real asset in helping to prevent slipping in wet areas.
- Easy to roll up and move to new locations or for cleaning.
- Slip tested to DIN 51130.

RS PRO Anti Fatigue Drainage Mat Black 1m x 5m

RS Stock No.: 0726302

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

- This is a versatile anti fatigue drainage mat used for the hospitality industry, such as bars, event caterers and serving areas and also ideal for industrial working environments due to its good wear rating and resistance to water and mild acids.
- Key features include open holes with excellent drainage properties, which prevent liquids and debris sitting on the mats surface.
- The mat's surface is raised with an anti-slip texture.
- Anti fatigue drainage mats are an essential for helping to prevent slips in wet or oily areas.
- These mats are also easy to clean and maintain for extended wear and tear and can be easily rolled and re-located.

General Specifications

Size	1 m x 5 m
Product Height	10 mm
Weight (kg)	37
Colour	Black
Material	Rubber mix, including >75% recycled material.
Recycled Material Content %	75%
Surface Finish	Raised anti-slip textured surface with holes to allow drainage
Min. Operating Temperature	-20°C
Max. Operating Temperature	+130°C
Resistance to Chemicals	Resistant to water and most mild acids
Environmental Resistance	Suitable for wet and dry indoor environments
Typical Applications	General industrial
Installation Method	Loose lay
Cleaning Method	Hose down or pressure wash using a mild detergent
Tensile Strength	3 to 3.5 MPa

Approvals

Slip Tested to	DIN 51130
