

## uvex Tencel® polo shirt

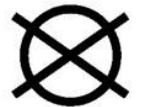

**article number: 89048**

Polo-Shirt made from a high-functional and lightweight knitted fabric with a timeless design.

**colour way: red**

**Care instructions:**

“T-shirts made from TENCEL® consist mainly of Lyocell, a natural, rapidly renewable ecological wood fiber which is not just extremely comfortable to wear but also reduces the build up of bacteria - and odours - in a natural way. This easy-to-care-for material is also very stretchy and lightweight, providing for optimum freedom of movement.”

**Features:**

- sporty fit
- round neck with contrasting piping
- very elastic and lightweight fabric for excellent wearing comfort
- easy-care
- Oeko-Tex Standard 100

**Material composition:**

60 % lyocell (TENCEL®),  
40 % polyester,  
ca. 220 g/m<sup>2</sup>

**Sizes:**

XS – 6XL
