

# ZX20B ZITHION-XT™ USB-C RECHARGEABLE BOOSTER BATTERY

COAST.

- A big bullet point!
  - A big sub-point
- The ZX20B booster battery enables you to recharge the built-in ZITHION™ battery in your RL20RB or RL20RA.
- The booster battery simply slides and snaps into place over the top of the built-in battery and begins charging it.
- rear-facing, independently controlled red safety signal.
- (C.O.B.) mini flashlight that shines 200 lumens with a 10 hour run time plus an integrated pocket clip.
