

Product Change Notification – 2023/23

Product Line:	etherCON cable connector	Part No:	NE8MX6*
---------------	---------------------------------	----------	----------------

Piece Part:	ISOLIERPLATTE NE8MX6	Part No:	1014141
-------------	----------------------	----------	---------

Engineering Change Request:	2022-0947	Date:	29.06.2023
-----------------------------	-----------	-------	------------

Comments:	Change of material
-----------	--------------------

Affected products:	NE8MX6 NE8MX6-B NE8MX6-B-D NE8MX6-B-T NE8MX6-T NE8MX6-D
--------------------	--

First shipment of modified product:	Q25
-------------------------------------	-----

Engineering Change Notice

Due to major difficulties in procurement which would affect our delivery times, we decided to change the base material of the products listed above to an alternative UL recognized material. The base materials of all suppliers are polyamid 66 compounds and are practically identical. Internal tests and external certifications have shown that the product performance remain unchanged. The article numbers of the products remain unchanged. Traceability is ensured through the production code.
