

# NLG HD Retractable Tool Lanyard, Carabiner

101450

# NLG Heavy Duty Retractable Tool Lanyard, Carabiner

Product code: 101450

The rugged construction of the Heavy Duty Retractable Tool Lanyard makes it fit for the toughest conditions, finished with a double action carabiner for extra security.

The NLG Heavy Duty Retractable Tool Lanyard is built to take whatever conditions are thrown at it. The features list goes on – ABS casing with rubberised coating for improved grip, 2mm stainless cable PU coated for additional protection, an integral belt loop, extending to 1.25M.

This Retractable Tool Lanyard can be fitted directly onto a belt or harness, or can be used in conjunction with the webbing loop (101455) to create a retractable lanyard that will attach to any anchor point.

The Retractable Tool Lanyard is ideal to use in areas where workspace is confined or where the use of more than one lanyard is not practical.

---

## INSPECTION

In addition to routine checks prior to each use, all equipment should undergo regular detailed inspection, conducted and recorded by a competent person using the NLG Inspection Checklist. If any part is worn or shows signs of degradation, immediately retire from service. In the event of a drop, quarantine the equipment for thorough inspection.

## Specification

- Fully rubberised ABS housing with improved skeletal frame for the harshest environments
- Removable back bridge offers versatility with direct connection to belt or harness
- PU coated wire cable is durable and easy to clean
- Lightweight, fully anodised aluminium carabiner with anti-tangle swivel mechanism
- Retractable design reduces snagging hazards in confined spaces
- Use 101455 Attachment Loop for fast anchoring
- Ideal for fixed anchor point work
- Unique serial number for easy identification and tracking
- CE marked
- ANSI/ISEA 121-2018 compliant
- Dynamic load tested and third-party certified (2:1 safety factor)
- Dimensions: Extends from 20cm to 135cm
- Max Load: 3KG (6.6lbs)

NAME: NLG  
 ADDRESS: 6 Mannings Heath Road  
 Poole, Dorset, BH12 4NQ  
 United Kingdom

## 02 / Product

CODE: 101450  
 DESCRIPTION: Heavy Duty Retractable, Carabiner  
 LOAD RATING: 3 KG / 6.6 LBS

## 03 / Conformity

The undersigned acting on behalf of [01] above hereby declares that:

The PPE described in [02] is in conformity with the provision and scope of our quality control and testing protocols set out in the PPE Regulation (EU) 2016/425 covering all PPE manufacturing, where such is the case, with the standard of fit for purpose design parameters. The above referred to Personal Protective Equipment [02] is identical to the equipment independently tested and certified by BSTL in accordance with EN 364:1992 test methods.

Dynamic drop performance testing conducted at 2:1 weight safety factor for tool lanyards and tether points. Static strength testing conducted at 5:1 weight safety factor for containers and storage equipment.
