

OSMO PLUMBERS PADS 27CM X 37CM PACK OF 5

PRODUCT

The Osmo Plumber's Pad is a UK-made, high-performance solution for protecting carpets and furnishings from overhead leaks. Engineered with OSMO's Super Absorbent Polymers, it rapidly transforms liquid into gel, preventing drips and cross-contamination. Ideal for tight spaces, it can be positioned as a proactive safeguard or used in response to unexpected leaks.
